

TreePlay Adventures #1, LLC dba

TreeRush Adventures Park Monitor (seasonal position)

What is TreeRush Adventures?

TreeRush Adventures is a self-guided treetop adventure park where guests explore the forest canopy and discover their sense of adventure. At TreeRush, guests navigate a series of suspended obstacles like wobbly bridges, rolling logs, wooden tunnels, rope ladders, and zip lines. If you're ready for a new adventure come be a part of our team!

What does a Park Monitor do?

- Greets guests and provides general park information and direction
- Provides excellent customer service
- Instructs/assists guests with harnessing and ensures proper fit
- Delivers instructional safety briefings and gear demonstrations
- Mentors guests on practice courses
- Observes and assists guests as they navigate throughout the park, ensuring that guests are using equipment properly
- Provides assistance and encouragement to guests on the courses
- Performs physical assists/rescues as needed
- Completes daily equipment and course inspections
- Performs park and grounds maintenance
- Assists with park special events as needed
- Helps with guest service operations including: ticket sales, retail operations, and retail stocking as needed
- Performs other duties and responsibilities as needed
