LEARNING HAS NEVER BEEN SO FUN!

Student Groups of All Ages!

- Build personal and group confidence when problem-solving in real time;
- Discover how enhanced trust, communication, and collaboration make learning fun;
- Feel the thrill of accomplishment while climbing a selection of 7 aerial trails ideal for beginners and experts, too;
- Strengthen group relationships while overcoming perceived barriers;
- Push personal limits while using always-locked-on climbing gear;
- Enjoy physical activity and discover a life-time sport;
- View nature from a new perspective - up to 55 feet above the forest floor;
- Enhance an appreciation for the natural world; and
- Create life-long memories and friendships.

INTERESTED IN A TEAM DEVELOPMENT OR EDUCATIONAL PROGRAM?

- Maximize the outcome of your visit by scheduling a 45 - 90 minute program with expert facilitators.
- Ask us to target your program to meet your specific objectives.
- Coordinate your TreeRush Adventure with Fontenelle Forest Educational Programs.

"The students had an amazing time and there were activities for every fitness level. Students were engaged throughout the instruction and learned to take risks and rely on their classmates for positive reinforcement and critical thinking strategies. The staff was welcoming and worked with us to ensure our group's experience was a success from the moment of first contact."
